# Jersey Colts Ice Hockey Club Spring 2026 Skills and 3v3 sessions

The objective of the Jersey Colts Spring 2026 season is to prepare players for the upcoming season. The first clinic of each week will focus on skill development, power skating, edge control, passing, shooting, goalie drills and much more.
The second session will be an ongoing 3v3 tournament each week.
Skills clinics will be run by the Mustangs elite coaching staff. They will focus on developing and preparing the players for the next season and the next level.
